

# Online Term Deposit Platform

Australian Money Market (AMM) is an innovative, fully transactional Term Deposit Platform – providing Financial Advisers with the ability to choose from over 25 financial institutions, on behalf of their clients.

Your Financial Adviser utilises our award-winning Term Deposit Platform for the many benefits that **you** ultimately receive!

- Maximise earnings**  
 With over 25 Financial Institutions on our platform, your Financial Adviser won't need to spend time researching rates.
- Safe & secure**  
 Term deposits are always held in your investing entity's name and funds move directly from bank to bank. Ownership of the funds cannot be transferred to anyone else and no monies are held on trust.
- Australian Government Guarantee**  
 All Financial Institutions on the AMM platform are Australian and covered by the Government Guarantee (up to \$250,000 per institution and entity).
- Switching is simple**  
 Your funds will never automatically roll over at maturity – AMM notifies your Financial Adviser 7 days prior to maturity and awaits instructions.
- Data feeds**  
 With our data feed reporting, your investment activity seamlessly feeds into financial planning software to reduce your Financial Adviser's administrative time.
- No fees**  
 AMM do not charge fees to Financial Advisers or their clients – it's a win-win!

Australian Money Market is proud to be awarded as SMSF Adviser's best Cash and Term Deposit Platform for **two years running**.
